PRESIDENT'S PIECE

I am thrilled to have been entrusted with the Presidency of our great Club for the forthcoming year. I will endeavour to serve the Club to the very best of my ability coupled with the support of both my wife Bev and the Committee.

Yet again I do envisage some changes to the meeting format. Firstly we will have a Club Jester who will tell ONE joke at the beginning of the meeting. The Jester is a secret, you will have to come to the meeting to find out who it is!!

The Treasurer's report will in future be distributed with the Probe and this will also save meeting time. With the saved time I would love to see the reintroduction of Member Profiles both at the meeting and possibly in the Probe, starting with our newest members.

I am starting the year with a net membership of 90 thanks to Past president Ray and his Committee. I hope that we can strive to increase this during my year in office and end it with a net membership of 100. Of the 10 new members required to achieve this I would really love to see at least six of them to be under the age of 75.

Finally I am very hopeful that the proposed Gardening Group and Walking Group will commence and flourish.

Let's get to it Probians and have a GREAT YEAR!!

Regards and Thanks

President Noel Bruhn

SECRETARY'S SCRIBBLES

On the 27th March I sent the following email to those members with email addresses and it is self explanatory:

I am afraid that this is not good news. On Friday I went with Denise to see my specialist and after my lung function tests he advised me that he wanted me to go on to morphine, small doses to start with to help my breathing when it is bad, however also to start to get the palliative care nurse to visit. We are both shell shocked as despite the fact that we both knew this would eventually happen we were not prepared for it just yet.

We have no time scale but I get the impression it is a case of months. I have no intention of finding out any more than that certainly at this stage. I had a full CT scan today and see him in again in about 4 weeks. It is simply my emphysema.

I have every intention of carrying on as best as possible for as long as possible and to this end Brian McGrath has agreed to act as Assistant Secretary and help me whilst he also learns the ropes.

I am looking for someone to take on a similar role with Probe. The ideal candidate will have internet access and a very basic knowledge of Microsoft Word. The templates for the whole year are already done so it a relatively easy task.

Can I please ask that you let Denise and I carry on as usual, no sympathetic phone calls or fussing over me, we are finding it hard enough to come to grips with this on our own. Rest assured that if Denise and/or I require some help in the future we will let you know.

I can now add that today I saw my GP and he gave me the preliminary results of my CT scan which shows no new developments other than the fact that I have gall stones. No op is envisaged as they are not causing inflammation. My full results will be given to me on the 27th April.

**REST ASSURED I WILL BE CONTINUING ON WITH FIRE IN MY BELLY AND NOT GIVING IN LIGHTLY!
I PROMISED PRESIDENT NOEL I WOULD SEE HIS YEAR OUT ☺**

PROBUS CLUB OF BENDIGO.

Probus Trips Organiser- A.M.EATON - March 1985 to March, 2012 (27 Years.)

Address to Annual General Meeting, 21/3/2012.

**** I am one of the (9) remaining Foundation Members of the Probus Club of Bendigo.**

An Original Committee Member who was allocated responsibility for Trips and Entertainment,
Which I have continuously carried out for the past Twenty Seven Years.

I WISH TO ACKNOWLEDGE: *The Assistance received from the Members during that lengthy period.*

**** The Collectors:** Who sit at the tables receiving payments for the Tours & Outings etc. as listed

Handling short notice cancellations. Balance Monies and give to Treasurer.

A most exacting task.

**** The Treasurers:** Who have had the tedious task of handling monies, ensuring the Collection Sheets balance, Banking the Monies and Payment of Accounts.

**** The Editors of "Probe":** Who have faithfully inserted in the "Probe," the Trips and Entertainment Information as lodged by me. Publicity vital for the success of Trips

**** To Cliff Binks:** The assistance rendered by Cliff in relieving my load by organising some of the 1997-98 Trips, which were highly successful. Also for the Evening Dinner Outings.

**** The Volunteers:** Who over many years wrote up "Reports on Trips," for insertion in Probe.

**** The Badgers:** Who ensured, that on "All Tours & Outings", each of our Members & Friends were in receipt of and wearing a "Name Badge."

**** Ken Gloster** For the **Records** he kept over the years, which Mike has "posted on our Club Web Site."

**** The Presidents, Secretaries, Members of Executive Committees:** For their contribution and leadership.

**** The Members:** For your continued "support and participation," in the Trips & Outings.

**** Finally I wish to acknowledge the Vision and Dedication of both Ern Holland & Mike Watt:**

Seeing the need for change and for our Club to become a "Non Gender specific Club."

**** Mike Watt:** *Spent a great amount of time researching, preparing detailed documentation and convincing our members of the need for change, securing a unanimous vote to do so.*

We are now a Non Gender Specific Club with a "great future," who have for the first time in many years approached an Annual Meeting with all positions filled, We have a Great Team for 2012-2013

Tours & Entertainment Team: *Likewise we are fortunate to have a very capable Tours & Entertainment Team:*

Lead by Ailsa Coghlan, together with Brian Mc.Grath and Collin Adams (supported by Jill.)

***** I urge you to be positive in giving your support to Trips & Outings which they may organise***

**** I have deemed it to be a privilege to have been entrusted with the Organisation of Probus Trips**

and Outings on your behalf. Carrying out the duties of Trips Organiser has always been a challenging and satisfying task – "to see the satisfaction of the travellers," was all that I desired. I will always remember the experiences we have shared together, the many friends I have made over my Twenty Seven Years as Trips Organiser have been most rewarding and satisfying..
