Smile: A little boy opened the big family Bible. He was fascinated as he fingered through the old pages. Suddenly, something fell out of the Bible. He picked up the object and looked at it. What he saw was an old leaf that had been pressed in between the pages. The boy called out "Mum, look what I found". "What have you got there," said the mother. With astonishment in the young boy's voice, he answered "I think I just found Adam's underwear".

Don't forget ladies welcome next meeting January 16th
