30year Rotarian, 16 year Probian and Marriage Celebrant.
Past Secretary PCSP, Past President Vic Probos Assoc.**

The meeting on the sixteenth of June was momentous for two reasons. Firstly members unanimously adopted the Recommended Constitution and secondly they unanimously adopted the 11 standing resolutions allowing the Club to admit Ladies as members. A huge leap forward for the Club as already we have a number of applications from ladies also two or three from men. Well done Gentlemen !!

Arthur Eaton introduced our guest speaker for today who was Bev Christian from PROUD AUSTRALIA HOLIDAYS and her topic was the forthcoming MURRAY RIVER EXPEDITIONS- 5 DAY/4 NIGHTS SOUTH AUSTRALIA DISCOVERY TOUR. Her talk started with a very picturesque DVD of the Murray River part of the Tour followed by a detailed run down of the full itinerary. Members were able to ask questions which were answered fully. Arthur even managed to get her to extend the deadline for a \$100 discount by a further two weeks! Arthur thanked Bev for her illuminating talk and presentation and after being presented with our Probos Mug Bev joined us for lunch at the members luncheon which was well attended at The Brougham Arms in Williamson Street.

Thank you Dorothy for organising an excellent Venue.

**MEMBERS ARE URGED TO ATTEND THE JULY
MEETING WHEN WE WILL BE INDUCTING A NUMBER OF

LET'S MAKE THEM MOST WELCOME AND ENJOY THEIR
FELLOWSHIP !**

It is with great sadness that we record the recent death of our valued member Ian Carter. Ian was a Foundation Member of our Club. Our sincere condolences go to his wife Betty and family.

.....
The question has been asked can a Probian be a member of more than one Probus Club ?
The answer from Probus Centre South Pacific is unequivocal :
“A person can be a member of more than one club. Each club is an individual club and can not restrict an individual from being a member of more than one club.”

TITANIC ARTEFACT TRIP:- Eleven of us caught the 7.45am train to Melbourne having first paraded before “General” Arthur and been given detailed instructions. Upon arrival, a quick taxi trip to the Melbourne Museum and morning tea in the café. Time to have a scout around before the exhibition start at 11.15am. Queue jumping was organized by Hughie Ward and the exhibition itself was absolutely mind blowing. Able to progress through at our own pace and absorb all the detail, observe all the retrieved debris and learn the story of the Titanic from drawing board to sinking to re-discovery in the deep ocean. The stories were at times quite moving. Well worth a visit and enjoyed by all. Returning to Southern Cross for a late lunch and shopping in the new centre. Train trip home left on time and Warren managed to lose his ticket but the ticket collector just clipped his Museum Brochure instead !!! A great day, great company and fantastically well organized by “General” Arthur !!!

WHEN I'M 100, IF I LEAN A LITTLE, LET ME!

The family wheeled Grandma out onto the lawn, in her wheelchair, where the activities for her 100th birthday were taking place. Grandma couldn't speak very well, but she would write notes when she needed to communicate.

After a short time out on the lawn, Grandma started leaning off to the right, so some family members grabbed her, straightened her up, and stuffed pillows on her right. A short time later, she started leaning off to her left, so again the family grabbed her and stuffed pillows on her left. Soon she started leaning forward, so the family members again grabbed her, and then tied a pillowcase around her waist to hold her up.

A nephew who arrived late came up to Grandma and said, 'Hi, Grandma, you're looking good! How are they treating you?'

Grandma took out her little notepad and slowly wrote a note to the nephew..... 'They won't let me fart.'

PROBUS TRIP TO NEW ZEALAND. APRIL 14th TO APRIL 28th 2010.

A group of 19 Probians and friends met at Tullarmarine Airport and boarded the New Zealand flight to Christchurch. On arrival we were met by Tour Director Arthur Blakely and our Driver Michael Robbins and taken to our hotel for the night.

Next day our tour of the South Island began.

HIGHLIGHTS OF THE SOUTH ISLAND.

Spectacular scenery; mountains, lakes, glaciers, rivers fiords. Magnificent DUNEDIN RAILWAY STATION.

The hilarious SCOTTISH EVENING at the hotel with Arthur and two Timboon Probians taking part in THE CEREMONY OF THE HAGGIS.

A CRUISE ON MILFORD SOUND.

EVENING GONDOLA RIDE to the Mountain Top Restaurant at Queenstown. ARROW TOWN HERITAGE TOWN in its Autumnal beauty.

HAAST RIVER JET BOAT RIDE. 1 HOUR. With stops to learn about the flora and fauna. FOX GLACIER which is fast retreating.

GREYMOUTH and SHANTY TOWN - A well set up replica of an early Pioneer town with a historic steam train to take a ride on.

TRANS ALPINE RAIL TRIP from Greymouth to Christchurch. Mountains and canyons make this a fascinating journey

EAST COASTAL ROAD.

MONTANA WINERY.

INTER ISLAND FERRY A 3 hour sail from Picton [South Island] to Wellington [North Island]

NORTH ISLAND HIGHLIGHTS.

WELLINGTON THE NATIONAL MUSEUM

NAPIER THE ART DECOR TOWN. Rebuilt after being destroyed by an earthquake in 1931.

HUKA FALLS water rushes over the FALLS at 200,000 litres/minute.

ROTORUA. We had an evening of Maori culture with a Hangi feast; visits to Maori Arts and Crafts Centre ;Maori Village where there were hot mud springs and geysers. The Agrodrome Sheep and Dog Show.

WAITOMA GLOW WORM CAVES. Visit concluded with a silent boat ride on an underground river while overhead was a "sky of glow worm stars."

AUCKLAND. MOUNT EDEN an extinct volcano.

This was another excellent Probus trip due to the meticulous attention to detail that Arthur gave in the planning and carrying out of the itinerary. We were kept on the go but we had a wide variety of experiences.

We travelled in comfort with 19 of us in a 48 seater coach. The hotels were first class and the meals were good. Once again Arthur had arranged for perfect weather for us. The members of the group soon got to know each other and met for drinks each evening. We also got to know a group of Timboon Probians who were touring the same route.

Our Tour Director and Driver were excellent and passionate about New Zealand. We were taken to special places that weren't on the itinerary and given interesting information throughout the trip. Tourism, dairy produce and wine are the basis of the economy; power is generated by hydro, wind and geothermal [steam].

We arrived home, tired, but very satisfied with the trip. Many thanks to Arthur.
