PRESIDENT'S PIECE

Dear Fellow Probians,

I think we all considered the last meeting a very good one, all went smoothly and the talk by Noel Tennison on his life in Public Relations dealing with various politicians and other leading lights during the 1960's, 70's and 80's was very entertaining and

brought back many memories for most of us who lived through those time. The luncheon at the Foundry organized by Dorothy Crothers was well attended and with a great atmosphere. We congratulate Alec and Dorothy who celebrated 60 years of wedded bliss on the 27th June! I've spent a few days in hospital recently but with my strength returning, will be in front our next meeting to welcome you all.

PRINTORIAL

The Committee has engaged the services of Software For Clubs Pty Ltd to print and distribute the Probe. Those members who have email will receive their Probe as before by email and in colour. Snail mail members will receive a greyscale printed version via Australia Post. The website will have a non member colour version i.e. no minutes or financial report. Until such times as a volunteer Probe Collator comes forward, stop laughing miracles do happen!, we will collate the Probe by contacting the regular contributors by email, as a reminder, one week before the printing deadline, which will be published in every Probe. **ALL submissions for Probe must be done by email and sent to:**

probe@softwareforclubs.com.au

If you don't have a computer and want to contribute to Probe we are sure a son/daughter or grandchild would be delighted to help you out. The deal we have struck with your Committee is at below cost, \$66 incl GST plus stamps per monthly issue, so we just can not afford to type up etc. as well. We look forward to a long and happy relationship.

Daniel

Director, Software For Clubs Pty Ltd

SECRETARIAL SCRIBBLES

It is, indeed, an honour to be the Secretary of the PROBUS CLUB OF BENDIGO. A realisation of the enormity of the task ahead has, as yet, not dawned on me.

I can well imagine your apprehensions with regard to my capabilities and whilst "the proof of the pudding is in the eating". I plead with you to abandon that as an option!!

I took the job on when no-one else would and I intend to give you service to the full extent of my capabilities. With Mike's expert coaching and your patience, friendliness and encouragement, it may well be that you will soon be pleased with me as your Secretary!

Lynwood Stork
