All correspondence to be addressed to The Secretary, Bob Chenery, 49 Emmett Street Golden Square 3555.

Tour organiser and Activities Co-ordinator Arthur Eaton, 4 Maxwell Crescent, Bendigo Phone: 5443 9162.

Privacy information - Information given is kept private and confidential and may only be used within the confines of Probus and shall not be used for any other purpose.

**The Guest Speaker for the June Meeting will be from Bendigo Health.
Subject - Diabetes.**

Chris Lock from Vision Australia was the Guest Speaker at the May Meeting and was introduced to the members by President Ern. Chris told how Vision Australia was formed through the merger of the Royal Blind Society, The Royal Victorian Institute for the Blind, Vision Australian Foundation and the National Information and Library Services. Vision Australia assists people who are blind or have low vision to find practical solutions to enable individuals to live independently in their home, workplace, or community setting. Specialist staff advise people how to make the most of their remaining vision. Chris demonstrated a wide range of equipment available to help people to realise their maximum vision potential. Chris stayed on after the meeting and demonstrated some of the equipment and answered many questions. Dr Allyn Fisher made the usual presentation on behalf of the members.

**WE NEED NEW MEMBERS AND WE NEED
YOUR HELP TO FIND THEM.**

President's Corner

In Italy for thirty years under the Borgias they had warfare, terror, murder, bloodshed - they produced Michelangelo, Leonardo Da Vinci and the Renaissance. In Switzerland they had brotherly love, five hundred years of democracy and peace and what did that produce...? The cuckoo clock!

- *The Third Man*, spoken by Orson Welles, Director

BIRTHDAY WISHES

Useless Information

- Leif Erikson was the first european to set foot in North America in the year 1000, not Columbus.
- The first thing Queen Victoria did after her Coronation was to remove her bed from her Mothers room.
- The word "Kangaroo" "means I don't know" in the language of aborigines. When Captain Cook approached natives of the Endeavour River Tribe to ask what the strange animal was, he got Kangaroo for an answer.
- You can cut up a starfish into pieces and each piece will grow into a completely new starfish.
- Ramses II, a Pharaoh of Egypt died in 1225 BC at the time of his death he had fathered 111 sons and 67 daughters.

Simple Puzzle Time - (a clearer solution)

666666

Write the number 6 six times as shown above. Now write it (still with six 6's) in such a way that the total is 37.

Answer (clearer?) Multiply six by six, then add sixty six, divided by sixty six. This equals (or should!) thirty seven.

- Bob. C.

Little Zachary

Little Zachary was doing very badly in maths. His parents had tried everything... Tutors, Mentors, flash cards, special learning centres.

In short, everything they could think of to help his math. Finally, in a last ditch effort, they took Zachary down and enrolled him in the local Catholic School.

After the first day, little Zachary came home with a very serious look on his face. he didn't even kiss his mother hello. Instead, he went straight to his room and started studying. Books and papers were spread out all over the room and little Zachary was hard at work.

His mother was amazed. She called him down to dinner. To her shock, the minute he was done, he marched back to his room without a word, and in no time, he was back hitting the books as hard as before. This went on for some time, day after day, while the mother tried to understand what made all the difference.

Finally, little Zachary brought home his report card. He quietly laid it on the table, went up to his room and hit the books. With great trepidation, his mum looked at it and to her great surprise, little Zachary got an 'A' in math. She could no longer hold her curiosity. She went to his room and said, 'Son, what was it? Was it the books, the discipline, the structure, the uniforms? Little Zachary looked at her and said, 'Well, on the first day of school when I saw that guy nailed to the plus sign, I knew they weren't fooling around.
