PRESIDENT'S PIECE

Welcome Probians, the committee had our first meeting ,and we covered a lot of ground, with the addition of a few more reports, from the members and the alteration to the way the meeting was carried out, unfortunately we had to cover so much we run out of time and were not able to get through everything, but hopefully with a little fine tuning we will do a lot better next time. The guest speaker and her presentation of "Women on the home front" would have been very interesting to many of our members, who lived through that era, and they did a wonderful job in very difficult times, and it just goes to prove that we can't do without our women. As time goes by I will have more to say in my piece, but for now good health and fellowship.

President Ray

SECRETARY'S SCRIBBLES

For the benefit of newer members and to refresh the memories of our more established members I will try to have a few jottings inserted in each Probe.

HONORARY MEMBER: Yes we have one ! He is Peter Thornton and he is a Probian with the Probus Club of Strathfieldsaye. His previous vocation was "Signwriter" and Peter very kindly keeps our Honour Board upto date and never invoices us for the work. The Club chose to repay him by granting him ongoing Honorary Membership.

LIFE MEMBERS: Yes we have three ! Ken Coles, Bob Chennery, and Arthur Eaton. All three were granted Life Membership in recognition of their outstanding service to our Club. That outstanding service continues to this day as does their Life Membership with its ongoing benefits.

FELLOWSHIP: One of the keystones of Probus. In common with all Probus Clubs we have a variety of ways in which this is both developed and encouraged. The Probus Meeting Day is only just the START of the Probus Life....in common with all Probus Clubs we enjoy each others company prior to the start of a short General Meeting followed by a tea/coffee break before we have our Guest Speaker. Our Club has an outstanding record over the 25 years for its Guest Speakers the only meeting where we don't have one is the March meeting when we have our AGM.

Two years ago the dwindling numbers of our Foundation Members saw their After Meeting Luncheon numbers, which included their wives, likewise dwindle and thanks to Dorothy Crothers the After Meeting Luncheon was opened up to ALL members and their partners. A different venue each month adds variety to an excellent Fellowship session when we really get to know each other. Give Dorothy a ring and come and join us and bring your partner as well. A great way to round off our meeting day.

Arthur's incomparable history of day trips, long tours, overseas travels, have without exception been enjoyed by one and all and a great way to foster Fellowship. If you are one of those members who have never been on one of the Clubs trips or excursions, long or short, you are missing out on the experience of a lifetime.

The introduction of Lady Members to our Club has been a Godsend in many ways and one of these new lady members, Denise Watt, has started the monthly Morning Coffee and Chat Group open to all members, partners and friends. Meeting at the Beechworth Bakery at 10.30am on each Thursday in the week immediately before our Probus Meeting. Hope to see you there at the next one on Thursday 12th May !!!!

Probus Club of Bendigo – **Murray River Cruise, Sunday 24th April¹ to Saturday 1st May, 2011.**
Report for Probe – submitted by Arthur Eaton, Tours Organiser

Our Tour Group of (14) persons comprised Probians from the Bendigo, Sandhurst, Strathdale and Spring Gully Clubs and some friends of Probus.

Travel to and from Murray Bridge was by private Cars. On our return journey, **ten of our party joined with nine Members of the Keith Probus Club for an evening meal** – both they and we were delighted, *in their eight years since formation, we were the first to call on them.*

Our 5 Day/5 Night Cruise was from Murray Bridge to Blanchtown and return to Murray Bridge.

*Our Boat, the Murray Expedition, had three decks and was most capably skippered by a very capable and friendly Captain Peter Thomas. The Cabins, Dining/Lounge Area, Decks- were all spotlessly clean. **Meals were of very high quality with much variety.** Other crew members were: Engineer, Chief Chef, Assistant Chef, Cruise Director and a Cabin Attendant. Each were multi skilled efficient, co-operative toward each other, were very friendly and welcoming, and in all instances gave first class service to the passengers aboard the boat, ensuring that our Cruise was a most enjoyable and memorable cruise.*

Total passengers (34): Included five Probians from **New Zealand**, and some from Queensland, also others were from both Queensland and N.S.W. – *our group made sure they met them all.*

Travel each day consisted of cruising up the Murray River, with various on shore dockings at Mannum, Swan Reach and Blanchtown, at which we were taken on escorted eco and other Coach Tours. We were also taken in a 20 Seater Flat bottom boat cruising the River and at Anna Branch with excellent Eco Commentary by Captain Peter Thomas.

ROGUES GALLERY !!

A most interesting, enjoyable and memorable cruise at a relaxed pace, shared with friendly people.
