President's Remarks

I have news of two of our sick members. Wal Spicer is going about after a series of complaints which took him into hospital. He had a troublesome chest infection, followed by pneumonia. Then he had trouble with blood clots in his legs, this is still under treatment. Lastly he now has gout in both feet.

The other invalid is Peter Goodsich who had a stroke just before our last meeting. Now he is out of hospital, he came home on Saturday September 29th. He is making slow but steady progress, he is able to walk a little and his speech is much improved.

One reason for reporting on this is because it was only by accident that we met Wal, there may be other sick members I have not heard about.

It would be good if some one would take on the task of collecting this kind of news, perhaps even a team of two or three could get together and pool information.

Foundation Members Luncheon

Following the General Meeting in September, the Foundation Members and partners and friends had a luncheon at the British and American Chinese Restaurant in Eaglehawk Road. We all had a good meal there, the consenses of opinion was very much in favour in all respects.

After this month's general meeting the Foundation Members and friends will dine at The Bendigo Club which is at 22 Park Street, Strathdale. Time 12.30. There is ample parking in the club grounds. The function is not restricted to Foundation Members, we welcome all members and friends.

Country Town of Prosperity

The trip to Boort on Thursday September 20th 2007 was a great success, all participants enjoyed a great day.

After picking up our guide for the day at Boort Lake we traveled to Simply Tomatoes where we learned about the production of green tomatoes and how they are transformed into simply tomatoes. Then we had the chance to sample this product in a scrumptious morning tea. From there we went on to the Glencoe Fish Hatchery an organization which is state of the art and produces Murray Cod and Barramundi, in carefully controlled tanks. Next we had a lunch at the Railway Hotel in Boort. The final visit was to the Boort Olive Plantation, which is and may eventually be the world's largest irrigated Olive Plantation.

We returned to Boort where our guide Bruce Haw took us to the look out where we had a view of all of the town of Boort and of the surrounding countryside. Then, farewell to Bruce and back to Bendigo.

President Alec.

Notice Of Motion.... (Preamble):-

Each 3 to 4 years the "Constitutional Review" sub-committee of the Probus Centre-South Pacific (our club H.Q. based in Sydney) recommends changes to the Clubs' constitution. These recommendations are made principally due to past clubs' experiences with legal interpretations, matters of concern by some clubs and other reasons. Every club is asked to vote either to support or object to the constitutional change and report back to H.Q. (in this instance) by 31st January 2008. The changes will require more than a 25% objection vote by accredited clubs **not to** enact a proposed amendment. Therefore, following the above:-

"I give notice of motion that at the meeting on the 21st November 2007, I will seek the approval of the Club's membership to adopt changes to our club' constitution to read as follows."

Ten Commandments

How Moses got the Ten Commandments

God went to the Arabs and said, "I have commandments for you that will make your lives better.

The Arabs asked, "what are commandments?"

And the Lord said, "They are rules for living."

"Can you give us an example?"

"Thou shall not kill."

"Not kill? We're not interested."

So God went to the blacks and said, "I have commandments."

The blacks wanted an example, and the Lord said,

"Honor thy Father and Mother."

"Father? We don't know who our fathers are. "We're not interested.

The God went to the Mexicans and said, "I have commandments."

The Mexicans also wanted an example, and the Lord said "Thou shall not steal."

"Not steal? We're not interested."

The he went to the French and said, "I have commandments."

The French too wanted an example and the Lord said,

"Thou shall not commit adultery."

"Not commit adultery? We're not interested."

Finally, he went to the Jews and said, "I have commandments."

"Commandments?" They said, "How much are they?"

"They're free."

"We'll take 10."

There, that ought to offend just about everybody.
