Guest Speaker Report

Russell Jack from the Bendigo Chinese Association was the guest speaker at the September meeting and was welcomed by our President and introduced by Bryan Clemson. Russell spoke with passion about his and his late wife Joan's dedication in creating Bendigo's Chinese Heritage. In the early 1960's they both worked for nothing using their own money to get the project underway. A major benefactor to the Museum is John St Alban, a migrant from the UK who lives in Adelaide. Russell said that his collection of Chinese artefacts are mind blowing and we are very fortunate to have received so much for the Chinese museum to date; there is still a lot stored in Adelaide that will be transferred to Bendigo once additions to the museum have been completed.

From the commencement of the Gold Rush period to the present day the Chinese community have influenced the proud history of Bendigo. After answering many and varied questions, Bryan Clemson made the usual presentation on behalf of Probos Club members.

SUGGESTIONS ETC.!!**

PRESIDENTS PIECE

It's great to see Spring finally arrive, now we can all enjoy the great outdoors and get stuck into all those gardening chores!!!

In an endeavour to assist your committee could members indicate what interest groups appeal to individuals so that we may be in a position to establish several different groups that reflect a range of various activities for member's enjoyment.

Our tour and entertainment guru, Arthur, has trips and shows planned and maybe now the weather has improved we can have a few day trips and BBQ's

A reminder also that our Christmas Luncheon is not that far away so consider asking a friend or two and making it a great day for all.
