PRESIDENT'S PIECE

I have been President of The Probus Club of Bendigo for about 6 months now, and it has been a very pleasant, fulfilling experience, with the wonderful fellowship and friendship that is shared by all the members. It gives all something to look forward to each third Wednesday in the month when we gather together to mingle and chat, and listen to very interesting guest speakers, and hear the interesting things that these people do in their lives.

The dinners after the meeting each month are a great social event, where we can have some good tucker and let our hair down a little, I would like to see more members come and join us so they too can enjoy the company, and not forgetting the Coffee and Chat at the Beechworth Bakery.

With the computer classes , and Arthur and his trips and tours there is so much activity going on there is hardly enough time in the month, may it all get bigger and better.

Many thanks must go to Hugh Ward the “Elder Statesman” of our Club who gave a most interesting profile of his life at the last meeting. Thanks also to our Secretary, Mike Watt for the unique presentation as guest speaker and bringing us all up to date with computers/computing in Probus and our every day lives nowadays.

Regards and Thanks

President Ray Fitzgerald
